Post-Congress Tour – 11th-13th August, 2013

Please Note

Numbers for the Post-Congress Tour will be limited to 60 participants, due to the limited nature of accommodation on the island of Unst. Because of this, we would ask you not to make your travel arrangements until you receive confirmation that you will be able to participate in the Tour. This will be done as soon as possible. Priority will be given to delegates from outside Shetland and Scotland.

The cost of attending the Post-Congress Tour will be £250, which covers travel, accommodation and meals.

The Post-Congress Tour will consist of a 2-night stay on the island of Unst, followed by a daytrip to the island of Papa Stour. Unst is regarded as probably the first landfall for Vikings in Shetland and has the highest density of rural Viking longhouses anywhere. You will also have the opportunity to visit the reconstructed longhouse and replica Longship, the Skidbladner.

On leaving Unst, the Tour will visit the island of Papa Stour where you will have the opportunity to visit the partially-reconstructed Stofa at the Biggins.

Whilst visiting Unst, you will stay at the Saxa Vord Resort. Accommodation is limited and will be shared, either in their hostel or in a room in one of their houses. If you know who you would like to share with, please detail this on the booking form, otherwise we will allocate accommodation.

You will arrive back in Lerwick in time for the Northlink ferry departing on Tuesday 13th August. If you are not departing on the ferry that evening, you will need to book your own accommodation locally.

I **will/will not** attend the post-Congress Tour (please indicate)
